

The Public Works Department is scheduled to collect residential leaves from City streets during the following three time periods:

November 16th – 20th

November 30th – December 4th

December 14th – 18th

Please be aware that the maintenance crew will **not** be scheduled to pickup leaves outside of these three scheduled periods.

After December 18th, 2020, property owners will be responsible for removing any leaves left in front of their homes.

In order to minimize the time that leaf piles are in the street affecting parking and drainage, please put the leaves out on the weekend immediately preceding the first day of each pickup period.

If you have any questions, please contact the Public Works office at (541) 767-4100.

LEAF PICKUP

Beginning

November 16, 2020

Pickup Dates: November 16th – 20th 🍁 November 30th – December 4th 🍁 December 14th – 18th

City of Cottage Grove Leaf Pickup

Residential leaf pickup is provided by the Public Works Department as a free service to City residents.

Leaves will be picked up during the three time periods shown in this brochure.

Leaf pickup will be accomplished with a truck and Titan Leaf Vac.

Leaf piles that are stacked under or very close to parked cars cannot be picked up.

Tips for Leaf Placement in Street

Pile leaves on the street surface near the gutter, keeping gutter and catch basins free of leaves so storm water is not obstructed.

On streets without curbs and gutters, pile the leaves near the street surface away from ditches.

Stack the leaves so that they don't block bike and traffic lanes.

Leaves should be piled in rows so they do not block the flow of water along the curb and do not encroach on the traffic lane.

Do not place leaves in the streets where curbside parking does not exist. You may bring those leaves to the designated area outside the **Row River Water Treatment Plant at 3300 Row River Road through December 18th, 2020.**

Safety Issues

Property owners are responsible for any hazard they create by placing leaves in the streets.

Care should be taken that leaves do not create a hazard for bicyclists, motorists or restrict street drainage.

Do **not** place your leaves in plastic bags.

Branches will **not** be picked up.

Shrub prunings & blackberry vines will **not** be picked up.

Do **not** include rocks, metal or other debris in your leaf pile.

Lawn clippings will **not** be picked up.

Only piles of loose leaves will be picked up.
